I am often asked for recommendations as to local attorneys. While I do not expressly advise the use of any particular firm, I have had several occasions to work with The Murphy Law Firm during the past two years. I am always delighted to include them when asked for a recommendation. Mr. Murphy's office has offered my clients a free no obligation consultation. You can check with his office to see if this is still available and be sure to let him know that I have referred you in case he is offering any incentive programs that vary from time to time.
