NEW CLIENT ORGANIZER

Dear :

This Tax Organizer is designed to help you gather the tax information needed to prepare your 2012 personal income tax return. To help you complete the organizer with minimal time and effort, when available, you will find certain information from your 2011 personal income tax return.

In your Tax Organizer, all social security numbers and bank account numbers have been replaced with asterisks (**_*_*_****) and (****1234) to protect your privacy and personal information. If you need to change or update a social security number or bank account information, please contact this office. Do not indicate the social security number or bank account change on your Tax Organizer. When you receive your completed tax return(s), please review all social security numbers and bank account information for accuracy. Report any discrepancies to this office immediately.

Enter 2012 information on the Tax Organizer pages provided. If any information does not apply to you or is incorrect, please draw a line through it or make the necessary corrections.

The Client Questionnaire asks about pertinent tax items necessary for preparing the most accurate tax return possible. Please answer all applicable questions and attach a statement when necessary for additional information not provided in the Client Organizer.

We will also need the following information:

- Forms W-2 for wages, salaries and tips.
- All Forms 1099 for interest, dividends, retirement, miscellaneous income, Social Security, state or local refunds, gambling winnings, etc.
- Brokerage statements showing investment transactions for stocks, bonds, etc.
- Schedule K-1 from partnerships, S corporations, estates and trusts.
- Statements supporting deductions for mortgage interest, taxes, and charitable contributions (including any Form 1098-C).
- Copies of closing statements regarding the sale or purchase of real property.
- Legal papers for adoption, divorce, or separation involving custody of your dependent children.
- Any tax notices sent to you by the IRS or other taxing authority.
- A copy of your income tax return from last year, if not prepared by this office.

IRS regulations require paid tax preparers who expect to prepare and file 11 or more federal individual or trust tax returns to file them electronically. To comply with this requirement your return will be electronically filed this year. The benefits of e-filing include a secure way to file tax returns and it provides proof of acceptance that the IRS has accepted your return for processing. Contact this office if you prefer your return be filed on paper.

Thank you for the opportunity to serve you.

Sincerely,

Bonnie S Clark Cpa
